Dear MS LINDA FISHER,

The above association is incorporated under the Associations Incorporation Act, 1984. Certain amendments to the Act became effective from 1 August, 1992 under the Associations Incorporation (Amendment) Act 1992.

The Amendments are designed to streamline the incorporation process, to reduce regulatory burdens and to rectify certain deficiencies and anomalies.

The Department would like to take this opportunity to inform you of some of the Amendments and the effect they will have on all incorporated associations. You will find a summary of the major amendments in a new Brochure, entitled "Amendments to the Associations Incorporation Act, 1984 which I am enclosing. Copies of the relevant Acts and Regulations can be obtained from the Government Information Service. Their telephone number is (02) 743 7200.

Also enclosed are two new Brochures entitled, "Responsibilities of Public Officers under the Associations Incorporation Act, 1984" and "Responsibilities of Committee members under the Associations Incorporation Act, 1984".

These Brochures are designed to provide some general advice to Committee members and the Public Officer in light of the Amendments.

Should you require any further information on the Amendments please contact the Associations Unit on (02) 2860009.

Yours faithfully
