Dear Ms Burgess,

This organisation is planning a Regional Seminar on Alternative Dispute Resolution, to be held in Penrith on Tuesday 2nd May 1989. Although only in the preliminary planning stages, it is anticipated that the function will be held at the Community Justice Centre, 80 Henry Street, Penrith from 6.30 to 8.30pm.

The objective of the Seminar is to inform members of the legal profession, students, and others in the socio-legal field about alternative dispute resolution, and the way in which ADR organisations can provide a service to people in the Western Sydney Region. Representatives of the Australian Commercial Disputes Centre, and CJsCs will speak. Other speakers have not yet been confirmed, but could include civil claims arbitration, family dispute resolution, or agencies dealing with disputes in the workplace.

We seek to have this function included in Law Week activities, and advertised in any material listing Law Week functions.

Dear Ms Burgess,

re ADR Seminar - Penrith

I enclose registration sheets for MCLE points as requested.

52 people had registered their intention to attend, but a very wet night and horrific traffic delays between Parramatta and Penrith discouraged 12 people from the Parramatta and Blacktown area.

Although only 27 people signed these Registration sheets, 39 attended - the remainder being people not needing MCLE points.

I believe the Seminar was most successful, and ADRAA plans to hold similar regional seminars in the Hunter and Illawarra regions later in the year.

Thank you for your co-operation. Accounts for refreshments and hire of chairs and sound system will be forwarded later, along with photos taken during the evening.
