

ADRA BOARD MEMBERS

Dear

As requested in the minutes of the meeting of 7 August I have done a search of the database for all members whose date of joining was 1987. Attached are:

- list of individual founder members and the years they have paid subscriptions since 1992/3 (2 pages)
- list of organisational founder members and the years they have paid subscriptions since 1992/3 (2 pages)
- list of reciprocal members who were registered in 1987

I believe that records for members are incomplete - mainly because I think that in the past records for members who have not renewed have been destroyed/lost. The old database only had records of payment of membership fees since 1992/93 and year membership commenced, so if there are any earlier records around they could shed more light!!

I have copied pages from two of the first three issues of the "ADRAA Newsletter" which gives details of the members of the first two Committees. As some of the people mentioned do not appear in the database it would be useful to find out if there are any other records which can be checked.

I have also done some analysis of membership numbers for the years that I have information for. In summary the totals are as follows:

Members	1992/93	1993/94	1994/95	1995/96
Individual	132	166	100	154
Organisational	31	23	14	29
Reciprocal	1	3	5	6
TOTAL	164	192	119	189

I will bring the detailed country/state breakdown to the next Board Meeting.

I have not yet done statistics for 1996/97 as so few people have as yet renewed.

See you at the meeting on 28 September.

Regards

Loise
