Paul

Following are my re-typed versions of the Membership Application. I have made some changes in layout to accommodate the page size I was working with plus deleted some text. The logo goes in the left corner of the cover page next to the address - will photocopy it on.

I was not sure what to do about a telephone number on the front. It has been David Rollinson's work phone number. What would you like to do about it?? Don't show a telephone number?? Will phone on Tuesday to discuss as I plan to get them copied on Wednesday so I can get more letters out.

On Thursday posted 85 letters (82 within Australia and 3 overseas) to 1995/96 members who have not renewed for 1996/97 (9 were to organisational members). There are another 15 organisations listed in the database as former members. For individuals the numbers are:

- last year financial 1994/95 = 19
- last year financial 1993/94 = 50
- last year financial 1992/93 = 27
- total = 96

I haven't counted how many for 1991/92 because most of the records Anne passed onto me only go back to 1992, so there wouldn't be many. I'll do them in the order above - do you think its worth going back to the 1992/93 group? Only another \$12 in postage!!

Finally, I would like to put the notice in the next "Mediation News" - do you mind being a contact as some people may be put off phoning outside of Sydney.

Regards
