Dear Joy,

Thank you so much for conducting our "State of the Art Workshop" on Tenancy Disputes on Wednesday 28 June.

All participants appreciated the care you had taken with your presentation, the wealth of information you presented, and your willingness to share your experiences with them. It was obvious that the evening was very successful from the vigorous questioning and the fact that no-one wanted the discussion to end at 7-30pm!

I hope ADRAA can look forward to your continued support and participation.

Yours sincerely
