Dear Secretary

I have a copy of the "Standards for the Training of Mediators" Discussion Paper, prepared by Linda Fisher that was put to the October 26th 1991 Annual General Meeting.

Can you tell me if a copy of the "Final" paper on training standards is available to members.

Perhaps you can also advise if material is available on Mediator selection criteria. Any assistance you are able to provide will be much appreciated.

Yours faithfully

Glenice Roberts
