Dear Mr Irving

Thank you for your kind invitation. Hope the book launch went well. Is there a blurb available that we can distribute locally?

Also a fax from me may not have reached you. I'm attempting to find out for our Law Reform Sub committee about certification and accreditation requirements of Mediation Associations around Australia. Do you have copies - or at least the information? or could you advise me where else I may be able to get this information.

Mediation association committee members seem to be notoriously difficult to contact!!

Any information you can provide will be gratefully appreciated.

The Sub-committee meets early August - Please fax information on (089) 452560.

Thank you.

Yours sincerely
